

Lady Yankees Softball Club

2025-2026 Softball Season

Dear Prospective Sponsor:

On behalf of the AZ Lady Yankees Softball Club, Board of Directors, families, and athletes, we would like to thank you for you taking the time to learn more about our program and what we have to offer.

AZ Lady Yankees Softball Club. is an Arizona non-profit corporation, that serves our community youths through the sport of fastpitch softball. Your generous support, no matter how big or small goes a long way in helping to provide uniforms, equipment, tournament participation and many other softball activities. One of our main goals for the 2025-2026 season is to provide a dedicated indoor facility for all Lady Yankees athletes along with training resources. An indoor softball facility in Arizona is beneficial for several reasons, primarily due to the extreme summer heat and occasional monsoon seasons. It provides a climate-controlled environment for year-round training, practice, and even competitive play, shielding players from the intense sun and potential rain. Additionally, it offers a space for clinics, camps, and other softball-related activities, regardless of the weather conditions. These types of facilities are essential for the growth of the young athletes.

By making a tax-deductible donation you become an important part of our Lady Yankees Softball Club community. Your sponsorship will help provide a unique opportunity for these talented and hardworking young ladies to participate and compete at the highest levels of competition in their divisions.

Sincerely,

SPONSORSHIP COMMITTEE
